**Garrison** Dental Solutions As a medical device supplier of products used in emergency procedures related to restorative dentistry, we are an essential manufacturer. During the COVID-19 crisis, we have also supplied tooling used to manufacture components for ventilators. Lastly, we are in the process of developing 3D-printed face masks to be made available on a no charge basis to practicing dentists and their staff.

**MARSH & MCLENNAN  
AGENCY**

The Coronavirus pandemic is top of mind for companies and their employees. The threat of COVID-19 has grown increasingly real, infecting countries all over the world, spreading across boundaries and oceans, and rattling the global economy. Throughout Marsh & McLennan Agency's Resource Center you will find thought leadership, expert views, links to government sites, and solutions and strategies that you can apply as you navigate the challenges posed by COVID-19.
