National Association for Business Resources Names the Best and Brightest Companies to Work For in the Nation For 2019

January 30th, 2020 — The National Association for Business Resources has named the Best and Brightest Companies To Work For in the Nation. (See following list of honorees.)

The 2019 national winning companies were assessed by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners. The Best and Brightest Companies to Work for winners are not ranked.

The Best and Brightest Program honored 540 national winning organizations from across the country out of 5,000 nominations. In addition to honoring all national winners, the top 101 highest scoring national winning companies were also announced. Elite awards are presented to the highest winning companies that demonstrated exceptional innovative human resource practices and set high standards for all businesses during this year's National Best and Brightest Summit. The elite categories include: Compensation, Benefits and Employee Solutions; Employee Enrichment, Engagement and Retention; Employee Education and Development; Recruitment, Selection and Orientation; Employee Achievement and Recognition; Communication and Shared Vision; Diversity and Inclusion; Work-Life Balance; Community Initiatives; Strategic Company Performance, and the Best of the Best: Small Business, Medium Business, and Large Business.

With over 20 years of experience conducting the Best and Brightest competitions, the National Association for Business Resources (NABR) have identified numerous best Human Resource practices and provided benchmarking for companies that continue to be leaders in employment standards.

“With the war on talent hitting the door steps of the Best and Brightest, this achievement means even more than it did a year ago. As we continue to raise the bar, these companies rise to the challenge through cultural innovation, maximizing their workforce potential,” said Jennifer Kluge, President and CEO, Best and Brightest Programs.

The companies that have been selected to be recognized nationally as a Best and Brightest Company to Work For[®] will be featured in the February online edition of *Corp!* Magazine.

Next year's winning companies will receive recognition as a national winner at the National Best and Brightest Illuminate Summit during the awards symposium and gala on March 24-26 at the Westin Galleria Dallas, located at 13340 Dallas Pkwy, Dallas, TX 75240.
