## **National Association for Business Resources Announces the newest 2023 Best and Brightest Companies to Work For Winners**

September 5, 2023 — The Best and Brightest Companies to Work For® is proud to announce and honor the newest 2023 winning companies. Only companies that distinguish themselves as having the most innovative business acumen and human resource practices can be bestowed this honor. (See following list for winners). Considering the ten to one ratio of this program, these winning companies are truly innovative in their employee engagement execution.

The winning companies were assessed by an independent research firm, which reviewed several key measures relative to other nationally recognized winners. The categories applicants were scored on include Compensation, Benefits and Employee Solutions; Creative Wellness and Wellbeing Solutions, Employee Enrichment, Engagement and Retention; Employee Education and Development; Recruitment and Selection; Employee Achievement and Recognition; Communication and Shared Vision; Diversity, Equity and Inclusion; Work-Life Blend; Community Initiatives and Corporate Responsibility; and Leadership, Strategy and Company Performance.

With over 25 years of experience conducting the Best and Brightest competitions, the National Association for Business Resources (NABR) has identified numerous best Human Resource practices and provided benchmarking for companies that continue to be leaders in employment standards.

“Those companies that made the list of Best and Brightest Companies to Work For® as well as those companies that continue to make the list are truly remarkable. Given today’s need for talent, retention of talent, and the further issues related to the pandemic, these companies have proven they are superior to market conditions. They are elite thinkers, and this honor demonstrates their commitment to excellence,” said Jennifer Kluge, President and CEO of NABR and The Best and Brightest Program.

All winning organizations of the Best and Brightest Companies to Work For® are invited to attend the upcoming in person 2023 Best and Brightest National Summit, an exclusive national conference for all winners across the entire country. This national conference will be held on September 27-28 in Detroit, Michigan, and will focus on collaboration, sharing of best practices, analysis of pressing issues, inspiration, social activities, and celebration.
